

Sugar Grove Nature Center

2018 Maple Sirup Experience

Field Trip

Registration Information

Sugar Grove Nature Center is pleased to continue offering the Funks Grove Maple Sirup Experience for classes throughout central Illinois and invites your school to take part in this unique educational experience. The program provides a special opportunity for students to actively engage in the production of maple sirup as they explore its history from pre-settlement to current day through demonstrations and hands-on activities. Every student will have the opportunity to tap a sugar maple tree and take home a small bottle of Funks Grove Pure Maple Sirup.

Due to the seasonality of this topic, there are a limited number of days available to offer this program. Please be certain of your decision to participate before submitting the registration form and fees. Days will be reserved in the order that requests are received.

A \$100 deposit is required upon registration. The balance is due the day of your visit. If you wish, you can pay the entire amount due with this registration form. If you have questions, do not hesitate to email angela@sugargrovenaturecenter.org or call 309.261.6894. We will send a packet containing details to assist you in preparing for your visit and confirming your date. **All forms and fees must be received by February 10, 2018.** We look forward to your participation.

Important Details
