Funks Grove Maple Sirup Experience

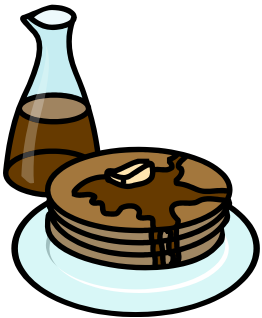

Saturday, March 3, 2018

Tours Begin at 9:30 a.m., 12:00 p.m., & 2:30 p.m.

It's the time of year when buckets decorate the sugar maples throughout Funks Grove. Have you ever tasted 'sweet water' dripping from a spile? Here's your chance! Join us for the Funks Grove Maple Sirup Experience at Sugar Grove Nature Center on Saturday, March 3, 2018.

Gather around the fire at the sirup camp to learn how the Native Americans and early settlers collected and prepared sap. Visit the sugar shack where the smell of maple sirup hangs in the air. Journey into the sugarbush to tap a tree. Stop inside the Nature Center to sample a variety of sweet treats made with maple sirup including candy, cookies, veggies, fudge, and more!

Tours last approximately 2½ hours and begin promptly at 9:30 a.m., 12:00 p.m., and 2:30 p.m. Tour size is limited and advanced registration is required.
