

## Sugar Grove Nature Center

# Wish List

Can you help us?

Donating new or gently used items is an excellent way to make an important contribution to Sugar Grove Nature Center. Take a look at our wish list for items and services that will enhance our programs, beautify our grounds, or make life a little easier for our volunteers and staff.

If you are able to provide any of the listed items, please drop them by the next time you visit the Nature Center or call us at 309.874.2174 and a staff member or volunteer will gladly pick up the donation.

Do you have something that is not on the list, but you think we may be able to use? Feel free to give us a call. We have received many wonderful donations this way!

Sugar Grove Nature Center is a non-profit organization. All donations are tax deductible as allowed by law. Thank you! Your donations are greatly appreciated!
